

Dobcroft Infant School's Sports Premium Summary 2021/22

What is Sports Premium?

The government is providing funding of £150 million per annum to provide new primary school sport funding. The funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school Head teachers to spend on improving the quality of sport and PE for all their children.

Purpose of the funding:

Schools will have to spend the sport funding on improving their provision of PE and sport, but they have the freedom to choose how they do this.

Use of funds at DIS:

Funding allocation 2021/22:

We received £17,800

Funding carried over from 20/21 due to COVID: £9,241

Overview of funding and spending 2021/22:

Our whole school ethos is to integrate encouraging a healthy lifestyle across all aspects of our work through a wide range of activities:

- Professional curriculum support and professional development for staff.
- Participation in intra school activities and competitive events.
- Promotion of sporting opportunities run by other providers and signposting to these.
- Enhanced Healthy School focuses; including eat them to defeat them campaign.
- Use of personal challenge within PE lessons to promote children to challenge themselves and develop their skills.
- Curriculum work to enhance the teaching of dance. New curriculum for KS1 embedded and CPD given to staff.
- Discussions in class of sporting events - Women's Euros, Wimbledon and Winter Olympics, Soccer aid, Rugby 6 Nations to promote and raise awareness where assemblies not possible.
- Promotion of different opportunities within sport - Skipathon, Chinese dance workshop, Ballet workshops, Diwali dance workshops.
- Promotion of all our sports and health work through our family newsletters, PE display, the website.
- Whole School Sports Day run by Soccer-eds
- Enhancement of outdoor learning equipment in FS and y1 to assist in supporting physical literacy development.
- Development of outdoor lunchtime / playtime resources to take into consideration wishes made by children in pupil survey.
- Ensuring all children are active for 30 minutes every school day through active lessons, brain breaks, a wide range of high quality activities provided at lunchtime.
- It has enable 100% of children in year 2 to participate in an intra-school competition at Points Network Games. Children within KS1 also attending KS1 Santa Run and Girls Football tournament. All of FS and KS1 attended sports day and had opportunity to participate in a competitive event.

The Sports Premium grant has enabled us to have some expert specialist advice from Helen Stevens, part of Points learning network, to support the PE leader to audit PE and plan for PE in school and make sure all questions and queries were addressed in in light of the impact of COVID. The impact of this was that the PE coordinator was able to go ahead and write an action plan for PE and set out what she wanted to achieve for PE throughout the year. It also helped her to identify gaps and create plans to help address this.

Please see our monitoring form for a more detailed evaluation of our spending this year what we have spent, and the impact of this has been outlined further in line with the 5 key indicators for development of schools PE and sport.

Funding Allocation, Planned Spending and Actions 2022/23:

Our funding will be at least the same as last year, we are waiting for this amount to be confirmed. We will continue to use the sports premium money to ensure that children get the best PE experience they can. This is what we currently plan to spend the first part of our funding on next year. Each half term the PE lead will assess the needs of the school and based on feedback from pupils and staff will assess how to effectively spend the rest of the sports premium funding throughout the year.
