WALT use drawing and painting to develop and share ideas.
Context: Design your own Terrible Creature

Success Criteria:

I can generate ideas about what features I want my terrible creature to have.

I can decide what I want my creature to look like.

I can use drawing and painting skills to design my terrible creature.

Deepening: I can think of a name for my creature.

We are going to think about TASC to help through our learning.

What could our terrible creatures look like?

What will your terrible character look like?

Which is the best idea?

Decide

What will its body look like? Will it have fur / feathers / wings / arms / a tail ?

What will they have on their face / in their mouth?

What different colours will it be?

What would it be called?

Design your terrible creature.

My creature's name : _Slime   monster_
