

CLUB INFORMATION

Multi Sports Club – Run by SoccerEds

Multi-Sports Club will be an exciting experience for every child! We will be exploring all manner of alternative sports including dodgeball, handball and volleyball to name a few. Throughout we will be discovering and developing the key components of multifunctional fitness, from speed and agility to balance and coordination in a safe, fun and challenging environment that aims to develop every child to become Better People, Better Players through our core values of Good Manners, Respect, Teamwork and Fair Play.

RuggerEds

The sessions are based around a strong ethos of lots of fun and promoting the RuggerEds core value of Good Manners, Respect, Teamwork and Fair Play. The games are high energy and designed to make the children work together to achieve common goals and the essence of team work. It is delivered in a safe and structured rugby related play environment, by a team of qualified and experienced coaches.

Shake Up

We will be offering a **dance and gymnastics** after school club. Kay will be incorporating different styles of dance including Street, Freestyle, Commercial, Cheer leading and many more with the fundamentals of gymnastics. There will be elements of apparatus and also rhythmic gymnastics including ribbons, hoops and balls. Parents are also invited into the club to watch a small performance by the children termly.

SoccerEds

The sessions are based around a strong ethos of lots of fun and promoting the SoccerEds core value of Good Manners, Respect, Teamwork and Fair Play. Razzamataz

Razzamataz Theatre School are delighted to be returning with their after school club! They will once again be focusing on singing and drama performing '?. (To follow)

French

Le Club Francais is a national organisation specialising in language courses for young children. The emphasis is on fun learning with plenty of songs and games to stimulate the children's interest at a particularly receptive stage of their development. They are taught by a fluent and native French speaker and our aim is to give the children a love of language learning. Please see attached sheet.

Fablab Science

The club is run by scientists and researchers making science fun and children will be participating in different science experiments.

Cooking Club and Kids Art Academy

Attached sheet regarding weekly activities to follow

Fit Kids Yoga and Mindfulness

A fun and engaging session to motivate children to practise yoga. In Fit Kids Yoga sessions we use games, props, stories, mindfulness and relaxation.

Fit Kids in the Forest

Fit Kids in the Forest - Join us for outdoor fun and a creative session in the Forest School area playing games, using tools to make things and learning life skills using nature and the seasons to guide us.

Please provide a suitable change of clothes/shoes that can get muddy and keep your child warm/ dry.
