

What board games do you already know?

What is the aim of board games?

gn and make a board game. 1.7.19
is:
interactively
search to generate my own ideas
in my design.

ign :

ent Well :

Even Better If :

Your board game:

- Can be any theme
- Can use dice, counters, coins
- Can be individual or team game

Think about...

How do you know how many steps to move?

(roll a dice, pick from a bag/closed eye pick from numberline)
