Take a look at your robot invention from yesterday!

Would anyone like to share their invention with the class!

Consider & Practise

What would your robot do at the seaside?

What do you think they would find interesting / strange / funny about the seaside?

Robo's Summer At The Seaside!

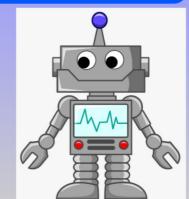

Indepdendent Activity

Write a short creative story about your robot's trip to the seaside.

Think about:

- What activities do they try (sandcastles, fairground, swimming, ice cream)?
- What does he find strange / funny?
- Does he make a friend?
- Does something bad happen?

Be as creative as you can!
