

**Key Learning:** To apply our knowledge of time to solve word problems. 26.2.21

**Success criteria:**

I know that the little hand shows the hour and that the big hand shows the minutes.

I can tell the time to the nearest 15 minutes.

I can apply my knowledge to word problems.

**Deepen** – I can apply my knowledge to word problems.

Use your knowledge of time to solve these word problems.

Independent

1. Nemo goes to his friend's house at 2 o' clock. He spends 1 hour there. What time does Nemo leave?
2. Dory goes to sleep at half past 9. She sleeps for 1 hour and a half. What time does she wake up?
3. Marlin picks Nemo up from school at half past 3. It takes 30 minutes to get home. What time do they get home?
4. Crush leaves the house at quarter past 10. He goes swimming for 1 hour. What time does he get back?
5. Crush swam for 20 minutes, Nemo swam for 1 hour and Dory swam for 45 minutes. Who swam for the longest?
6. It takes Dory 1 hour to find Marlin's house. She arrives at 7 o' clock. What time did she leave?

Look at this clock.

Tick the clock that will show the time 2 hours later.

What time is on the clock ?

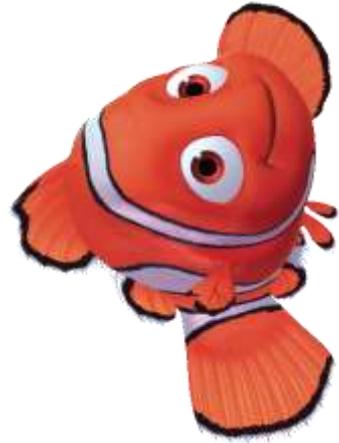

What time will it be in 2 hours ?

What time was it 2 hours ago ?

What time will it be in 3 hours ?

If Nemo starts his swimming lesson at 4 o' clock and it lasts for 1 hour and 30 minutes, he will finish his lesson at half past 6.

Dory says, "In 3 hours it will be 7 o' clock".

Is she correct? How do you know?
